

School Visitors Policy

Pre-arranged visitors to undertake occasional activity work within the school

For pre-arranged visitors who visit the school to carry out occasional activity work (speakers or career advisors, pet therapy or occasional learner sessions), come under the 3 days a month policy so do not require a DBS but a risk assessment is carried out one week prior to their visit and sent to Onboarding to review. They also need to:

- Present their ID to the reception staff;
- Follow all the procedures noted in the previous section for 'All Visitors'.
- Be accompanied for the entire time they are on site.

Pre-arranged visitors to undertake work experience

Before a volunteer is accepted to undertake work experience, the following procedures will be completed:

- The volunteer will provide suitable documentation and references from their education provider regarding their suitability for work experience.
- The member of staff who will be supervising the volunteer will accept this responsibility after taking into account their upcoming lessons and tasks.
- The volunteer will meet with the headteacher and the member of staff who will supervise their work experience so that the volunteer's suitability can be assessed. The headteacher has the power to either refuse or end a volunteer's work experience at any time.

After the headteacher has consented to the volunteer undertaking work experience, the requisite documentation will be completed. This will include:

- A letter offering a work experience placement and outlining the dates and times this will occur.
- Appropriate risk assessments.
- Written information to assist the volunteer during their placement, i.e. a school map, timetable, etc.

On the first day of their work experience, the volunteer will sign in at the office and report to the headteacher.

- The headteacher will ensure that the volunteer has read and understood the school's Child Protection and Safeguarding Policy, as well as all relevant parts of the code of conduct.
- The volunteer will be escorted to the classroom where they will be completing their work experience.
- The volunteer will also be escorted by the supervising member of staff when moving around the school, e.g. between classes and during breaks.
- Work experience may comprise a number of weeks or days, or could be arranged for a number of days per week for a set number of weeks.
- Young people on work experience will be given experience in as broad a range of activities as possible.

The volunteer will be escorted to the classroom where they will be completing their work experience.

The volunteer will also be escorted by the supervising member of staff when moving around the school, e.g. between classes and during breaks.

Work experience may comprise a number of weeks or days, or could be arranged for a number of days per week for a set number of weeks.

Young people on work experience will be given experience in as broad a range of activities as possible.

The school will have regard to the DfE's statutory 'Keeping children safe in education' (KCSIE) guidance. This states that a supervised volunteer, i.e. an individual carrying out supervised work experience, does not require a barred list check, but should obtain an enhanced DBS check where they are over the age of 16.

Where required, an enhanced DBS check, including children's barred list information, will be obtained for staff who supervise any volunteers under the age of 16. Consideration will be given to the nature of the supervision and the frequency of the activity being supervised to determine whether checks are necessary, i.e. more than 3 days in a 30-day period. This includes whether the supervisor is themselves likely to be unsupervised.

All young people undertaking work experience at the school will be supervised at all times and made aware of the school's child protection policies and who the school's DSL is.

Enhanced DBS checks will not be requested for staff who are providing supervision for young people on work experience aged 16 to 17.

In cases where the volunteer is over the age of 16 and is in regular contact with pupils, the school will consider whether an enhanced DBS check should be requested.

A safeguarding risk assessment will be produced, where necessary, and subsequently recorded. This will include:

- The nature of the work with pupils, especially if it will constitute regulated activity.
- The level of supervision required.
- What the school knows about the volunteer, including formal or informal information offered by staff and the volunteer's parents.

- Whether the volunteer has other employment or undertakes voluntary activities where referees can advise on their suitability.

Whether the volunteer’s role is not considered regulated activity, but is eligible for a DBS check, and if it is, the level of the check.

Unexpected visitors

- Any visitor to the school site who is not wearing a visitor’s badge should be challenged politely to enquire who they are and their business on the school site.
- They should then be escorted to reception to sign in and be issued with an identity badge.
- The procedures under “All Visitors” above will then apply. In the event that the visitor refuses to comply, they should be asked to leave the site immediately and a member of the Senior Leadership Team or Head of School informed.
- The Senior Leadership Team member or Head of School will consider the situation and decide if it is necessary to inform the police.
- If an unknown/uninvited visitor becomes abusive or aggressive, they will be asked to leave the site immediately and warned that if they fail to leave the school grounds, police assistance will be called for. For further information see the appendix 1.

On departing the school, visitors **MUST** leave via reception and:

- A member of staff should escort the visitor to the reception.
- Sign out of the reception ‘Sign in’ register;

Appendix 1: Access to School Policy

1. Purpose

If a visitor to the site becomes aggressive or abusive towards any members of the school community this shall not be tolerated. All members of the school community have the right to work or be in school without fear of aggression or abuse from visitors. The Board of Governors and Trustees has a requirement to protect staff and students from such aggression, whether its displayed in person or online.

In these situations we expect members of staff to behave professionally, attempting to defuse the situation where possible and seeking the involvement as appropriate of other colleagues. Staff who face these situations have license to end any conversation (face to face or on the telephone). They should then refer the incident to a senior manager who will take appropriate action or invoke the provisions of this policy.

2. Scope

Although fulfilling a public function, schools are private places. The public has no automatic right of entry. Parents/carers of enrolled pupils have an 'implied license' to come onto the school premises and/or within its boundaries at certain stated times (e.g. during collection and drop off and/or through invitation to an event or meeting). It is for schools to define and set out the extent of such access and The Rise School will communicate this when required.

Please also note that no meeting at The Rise School may be electronically recorded without the express permission of all parties, and that information obtained without such permission will not be admissible in any proceedings.

3. Legislation and guidance

This policy has been written taking into account the DfE Guidance 'Advice on school security: Access to, and barring individuals from school premises' December 2012 as well as NAHT guidance on dealing with abusive parents.

4. Definition of unacceptable behaviour

The Rise School maintains its power in common law to ban a person from its premises/boundaries and will make a decision to do so in circumstances where a person displays behaviours below on more than one occasion:

- Any kind of insult as an attempt to demean, embarrass or undermine;
- Any kind of threat;
- Raising of voice so as to be intimidating;
- Physical intimidation, eg by standing very close to him/her or the use of aggressive hand gestures;
- Use of foul or abusive language;
- Any kind of physical abuse;
- Allegations which turn out to be vexatious or malicious.

We consider that aggressive, abusive or insulting behaviour or language from a parent/carer presents a risk to staff or students. Unacceptable behaviour is such that makes a member of staff or student feel threatened. This can be through face-to-face contact, on the telephone or in written communication (including social media.)
