

16th November 2023

Dear Families,

Our Autumn Progress Evenings are scheduled to take place on Wednesday 6th December (for KS2 and KS4 pupils) and Thursday 7th December (for KS3 pupils). We are continuing to offer a blended approach of both in-person and online sessions as following:

3.30 - 4.45: In-person
5.00 - 6.30: Online

The length of the sessions will be 23 minutes for Primary and 5 minutes for Secondary/Primary specialists. Both in-person and online sessions will be the same length.

Bookings will open Monday 20th November at midnight and will be open until 10am on Monday 4th December. All bookings will be opened at the same time.

<https://therise.schoolcloud.co.uk/>

We will be sending out reminders to everybody to make sure you are able to book sessions as soon as they are available. We will also send out a list of confirmed meetings by the end of Tuesday 5th December to your account.

As a reminder we have attached the overview document again to help you with booking and using the system. As a reminder, the system works best on the newer version of Google Chrome and Microsoft Edge, though you can check operation once logged in. Apple devices running iOS 14.2 are particularly known to have problems. Please check [this link](#) to help with access and compatibility issues.

Kind regards.

Ross Miles**Assistant Headteacher (Learning, Teaching & Assessment)****The Rise School**
